

BD Multiparameter Flow Cytometry

Theoretical workshop – Part. I

- 10. 3. – Olomouc, Ústav molekulární a translační medicíny
Seminar room ÚMTM, ground floor
- 11. 3. – Brno, Biofyzikální ústav Akademie věd
Lecture Hall , ground floor
- 12. 3. – Praha, Klinika dětské hematologie a onkologie 2. LF UK a FN Motol – CLIP
Seminar room in new building CLIP, 4th floor

Schedule in all cities: 10:00-15:00, refreshment will be provided

Hands-on workshop – Part II.

24. 3., 25. 3., 26. 3. – Praha, Ústav molekulární genetiky AV ČR, v. v. i.

The theoretical workshop will focus on the principles and ways how to characterize and setup an instrument and design a new multicolor panel in order to achieve the best results with reasonable efforts.

Our goal is to give you the tools, knowledge and experience to make multicolor panel design with minimal effort.

If you are interested in attending the Theoretical Workshop, please send information regarding the date/city you would like to attend to e-mail address bdbcz@bd.com, capacity is limited. Registration to one day Hands-on Workshop will be done personally during Theoretical Workshops.
