

# Flow Course in Viničná 2020

Introduction to flow cytometry in English

Date: **19 March 2020, 10-13h**

Place: Faculty of Science, Charles University, Prague, Viničná 7, Room B3

Organized by:

**Jozef Janda**, DVM, PhD

Laboratory of Cytometry, Faculty of Science, Charles University, Prague

Contact: [cytometrie@natur.cuni.cz](mailto:cytometrie@natur.cuni.cz)

Registration: free but compulsory using this [link](#)

Topics:

1. **How cytometer works** (fluidics, optics, electronics)
2. **Novel technologies – spectral, imaging, mass cytometry**
3. **Fluorescence, compensation, experiment design**
4. **Data analysis**
5. **Interesting applications**

Under the auspices of the **Czech Society for Analytical Cytometry**

Supported by **I.T.A.-Intertact**

PŘÍRODOVĚDECKÁ  
FAKULTA  
Univerzita Karlova
