

# Essentials of Flow Cytometry 2023

Introduction to flow cytometry in English

Date: **2 November 2023, 9-12h**

Place: Faculty of Science, Charles University, Prague,  
Viničná 7, Room B3 (Fotochemie)

Organized by:

**Jozef Janda**, DVM, PhD

Laboratory of Cytometry, VMCF,  
Faculty of Science, Charles University, Prague

Contact: [cytometrie@natur.cuni.cz](mailto:cytometrie@natur.cuni.cz)

Registration: free but compulsory using this [link](#) or QR code

Topics:

- 1. How cytometer works**
- 2. Fluorescence and compensation**
- 3. Sample preparation**
- 4. Data analysis**

Under the auspices of the **Czech Society for Analytical Cytometry**  
Supported by **Exbio** – Czech manufacturer of flow cytometry reagents

PŘÍRODOVĚDECKÁ  
FAKULTA  
Univerzita Karlova
